FOR SOUTHERN DISTRICT OF MISSISSIPPI**

IN RE:  
NATCHEZ REGIONAL MEDICAL CENTER

CHAPTER 9  
CASE NO. 14-01048-NPO

**AMENDED MOTION FOR EXTENSION OF FINAL ORDER  
FOR (I) OBTAINING CREDIT, (II) MODIFYING AUTOMATIC STAY,  
AND (III) GRANTING POST-PETITION LIENS THROUGH AND INCLUDING  
DECEMBER 31, 2014**

**COMES NOW**, Natchez Regional Medical Center (“**NRMC**”) and files this its Amended Motion for an Extension of Final Order for (I) Obtaining Credit, (ii) Modifying Automatic Stay, and (iii) Granting Post-Petition Liens through and including December 31, 2014 (the “**Motion**”), and in support thereof would show unto the Court the following:

1. The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 1334, 157, 364, 362, 901, 928, Rule 4001 of the Federal Rules of Bankruptcy Procedure and other related code sections and rules.
2. This matter is a core proceeding.
3. On March 26, 2014 (the “**Petition Date**”), NRMC filed with this Court its Voluntary Petition (the “**Petition**”) for relief under Chapter 9 of Title 11, United States Code (the “**Bankruptcy Code**”). NRMC is in possession of its assets and properties.
4. NRMC is a 179 bed hospital located in Natchez, Mississippi and owned by Adams County, Mississippi (the “**County**”). It is NRMC’s intent to sell the hospital pursuant to Section 41-13-15 of Mississippi Code of 1972, as amended from time to time, and pay all of its creditors in full.
5. An Order was entered by this Court on April 25, 2014 [Dkt. No. 137] approving

the Amended Motion for Order (I) Obtaining Credit, (II) Modifying Stay, and (III) Granting Post-Petition Liens through July 15, 2014.

**Statement of Relief Requested**

6. NRMC is requesting authority to extend the terms and conditions of the Line of Credit (the “**LOC**”) and the existing loan documents with United Mississippi Bank (“**UMB**”) through December 31, 2014 to pay necessary operating expenses to protect the assets of the estate in order to complete a sale of the hospital. The funds are to be used by NRMC according to the attached 26 week cash flow (**Exhibit “A”**). In the event NRMC uses collateral of UMB or borrows post-petition funds, on the existing LOC, then UMB is to be granted a post-petition continuing lien on its pre-petition collateral, including NRMC’s cash and accounts receivables, DSH and UPL installment payments.

7. NRMC is obligated to UMB, on a Revolving Loan Note, originally dated August 5, 2008, renewed most recently on August 2, 2012 and supported by draw notes renewed on December 12, 2013 in the amount of \$3,000,000.00 and a draw note renewed on January 17, 2014 in the amount of \$875,000.00 for a total principal amount of \$3,875,000.00 (“**UMB Note**”). By agreement, the December 12, 2013 \$3,000,000.00 draw note is currently limited to \$1,500,000.00. UMB was granted a lien pursuant to a Commercial Security Agreement dated August 5, 2008 (“**UMB Security Agreement**”) renewed on August 2, 2012 and Assignments of Deposit Accounts renewed on the same date and August 8, 2012 and perfected by the filing of a UCC-1 Financing Statement, dated August 8, 2008, with the Mississippi Secretary of State’s Office (File No. 2008016780A) as amended by the filing of a UCC-3 Financing Statement, dated February 19, 2013 (File No. 20130951703B)(collectively, the “**Financing Statements**”). The

principal, interest, costs, expenses, and other amounts owing under the UMB Note are referred to herein collectively as the “**Pre-Petition Indebtedness**”.

8. Computed as of June 10, 2014 NRMC admits and stipulates that it is indebted to UMB in the aggregate amount of approximately \$260,163.11 comprised of: unpaid principal and interest accrued Post-Petition. NRMC believes that, as security for repayment of the indebtedness, UMB holds valid, perfected, and enforceable liens and security interests in the NRMC’s accounts, deposits, accounts receivables, including DSH and UPL installment payments, as described in the UMB Security Agreement and the Financing Statements. NRMC believes that UMB’s liens and security interests include, among other things, first priority liens and security interests in NRMC’s Accounts including Health Care Insurance Receivables, DSH and UPL installment payments.

**UMB Documents and Provisions:**

Payments of interest on the County Bond are due each January 1 and July 1 and principal payment is due each July 1. 10. NRMC proposes that the provisions of the Order, dated April 25, 2014 [Dkt. No. 137] remain in effect even if this relief is denied by the Court, specifically with respect to, but not limited to, any post-petition rights of UMB and super-priority claims of UMB through December 31, 2014. In accordance with Rule 4001(c), the nature and extent of certain provisions in the proposed order are as follows:

- a) Extension of existing LOC and existing loan documents and continuation of sweep mechanism to pay down the LOC in accordance with past practice and the loan documents. All electronic payments must be deposited into existing bank accounts, but with a modified interest rate of 6.25% fixed, and all protections provided herein (including specifically item (j) below) from the maturity of the aforementioned extension until December 31, 2014. UMB's loan will be paid from the sales proceeds and the liquidation of its collateral, the accounts receivable. In the event that the DIP financing order period has expired before a

sale closing, access to the LOC shall cease but the cash and A/R protections, sweep mechanism and replacement liens shall remain in place as a first and superpriority lien under Section 364(d)(1) until the loan is paid in full at closing;

- h) Horne group presence on premises to review financial statements prepared by NRMC. Horne group will be available to answer questions from UMB and/or its counsel;
- i) NRMC will implement immediately upon completion, the program currently under design to drop A/R every two weeks;

pertain to UMB's claims.

- l) A waiver and/or release by NRMC and its successors, assigns, representatives (including counsel), employees and board members of any and all claims, of NRMC against UMB, its representative, employees, board members and attorneys, as of the date of the bankruptcy petition;

- q) A bed count census to be provided by NRMC weekly to UMB.

11. NRMC is unable to obtain unsecured credit allowable under Section 503(b)(1) as an administrative expense. NRMC must extend the LOC with UMB in order to preserve and maintain the assets of the estate and the sale of the Hospital. NRMC is unable to obtain the post-petition financing without the extension of the LOC with UMB and granting UMB the liens provided under this Motion. As such, NRMC proposes to grant UMB a first and super-priority lien and replacement liens (as further described below and in the UMB Terms) under Section 364(c) and (d)(1) on all accounts over all other liens and claims including unpaid administrative expenses (with the exception of a carve-out for Debtor's professionals and critical employees in the amount of \$425,000.00 (the "**Carve-Out**") which carve-out has already been funded by UMB

conditional on approval of this Motion.)

12. The Pre-Petition Financing and Post-Petition Financing have been negotiated in good faith and at arms-length between NRMC and UMB, and such terms and conditions have been approved by the County and specifically stated in the UMB Terms as described in Paragraph 10, are permitted under the County and Hospital Indenture, and any credit extended and loans made to NRMC have been extended in good faith as required by, and within the meaning of, Bankruptcy Code §364(e) and UMB is entitled to the protections of Bankruptcy Code §364(e). NRMC waives any rights under 506(c) against UMB's collateral.

13. The terms of the Pre-Petition Financing and the Post-Petition Financing are fair and reasonable, reflect NRMC's exercise of prudent business judgment consistent with its fiduciary duties, and that the lien, security interest, and administrative claim granted to UMB in conjunction with the Pre-Petition Financing and the Post-Petition Financing are supported by reasonably equivalent value and fair consideration. The Pre-Petition Financing and the Post-Petition financing shall be according to the terms of the UMB Loan Documents.

14. NRMC requests entry of an Order pursuant to Bankruptcy Rule 4001(c)(2), Approving an Extension of Pre-Petition Financing and the Post-Petition Financing. The authorization requested herein is necessary to avoid immediate and irreparable harm to NRMC and its estate.

15. NRMC requests authority to use collateral of UMB and/or obtain credit from UMB, on the terms and subject to the conditions and limitations in availability set forth in this Motion. NRMC is authorized to use the proceeds in the operation of NRMC's business, provided that (i) the proposed use or borrowing is in compliance with the terms of the UMB Loan

Documents, the County and Hospital Indenture, and this Motion, and (ii) NRMC's use of funds is in accordance with the budget prepared by NRMC (the "**Budget**"), a copy of which is attached hereto and incorporated herein by reference as **Exhibit "A"**.

16. As adequate protection to UMB, NRMC will continue to deposit the proceeds from NRMC's Accounts to its' operating account. UMB shall be entitled (as a payment by NRMC) to apply all funds from NRMC's Accounts as provided in the Loan Documents and this Motion. UMB is authorized to apply funds transferred to reduce permanently outstanding Pre-Petition and Post-Petition Indebtedness. Payments received by UMB from NRMC will be applied in accordance with the debt service and repayment terms of the Loan Documents.

17. Pursuant to Section 5.04 of the County and Hospital Indenture, NRMC will continue to make all payments under the County Bond and the County and Hospital Indenture, when due, to the Bond Trustee for the benefit of the Development Bank and the Bondholders, including without limitation NRMC's monthly deposits to the Bond Trustee from NRMC's net revenues. The Bond Trustee shall be authorized and entitled (as a payment by NRMC) to apply the monthly deposits as provided in the Bond Indebtedness Documents and the Order, including applying the monthly deposits towards the payment of debt service on the Bonds due on the dates set forth in the County and Hospital Indenture and Development Bank Indenture. Monthly deposits received by the Bond Trustee from NRMC will be applied in accordance with the Bond Indebtedness Documents. Upon entry of the Order, the Bond Trustee shall have a modification of the Automatic Stay and any other applicable stay or injunction as provided herein. Pursuant to such stay relief, all stays and injunctions in the Bankruptcy Case, including, but not limited to, the Automatic Stay under Bankruptcy Code Section 362(a), will be modified as to the Bond

Trustee and with respect to the enforcement of its remedies against the Trust Estate under the County and Hospital Indenture. In accordance with such relief modifying the Automatic Stay and any and all other applicable stays and injunctions; (i) the Bond Trustee will have the right to enforce its remedies against the Trust Estate; and (ii) NRMC expressly and irrevocably waives and releases any right to claim, in this Court or in any other Federal Court or State Court, that any stay, injunction or other restraint or prohibition of any kind should be issued, imposed or reimposed against or with respect to the Bond Trustee or any item of the Trust Estate. Without limiting the foregoing, NRMC or other parties in interest will have the limited right to challenge the occurrences of an event of default under the County and Hospital Indenture.

18. Upon entry of an Order granting this Motion, UMB and the Bond Trustee shall have a modification of the Section 362 Automatic Stay to allow them to accept payments from NRMC.

19. Any funds borrowed from UMB after the Petition Date under this Motion shall be referred to as “**New Obligations**”. In accordance with Bankruptcy Code §§ 364(c)(1) and 507(b), the New Obligations shall constitute claims with priority in payment over any and all administrative expenses of the kinds specified or ordered pursuant to any provision of the Bankruptcy Code, and shall at all times be senior to the rights of NRMC, or any subsequent proceedings under the Bankruptcy Code, including, without limitation, any Chapter 7 proceedings if NRMC’s case is converted to a case Under Chapter 7 of the Bankruptcy Code (the “**Super-Priority Claims**”), except for wages or salaries, taxes and debtor’s professionals’ fees as agreed to by UMB.

20. As security for the New Obligations, and as provided in the UMB Note, UMB

shall have and is hereby granted (effective and continuing without the necessity of the execution, filing and/or recordation of mortgage, security agreements, patent security agreements, trademarks security agreements, pledge agreements, financing statements or otherwise), valid and perfected security interests and liens (the “**Liens**”) in UMB’s pre-petition collateral, and the proceeds thereon now owned or hereinafter acquired or generated by NRMC’s Accounts. The Liens shall secure payment of all such New Obligations used by NRMC since the Petition Date and pursuant to the orders on the Motion and any extensions thereof.

21. The Liens and Super-Priority Claims granted to UMB pursuant to the UMB Loan Documents and this Motion shall be subject only to the Carve-Out.

22. Without limiting the rights of access and information afforded UMB, the Bond Trustee, the Development Bank and the Bond Insurer under the respective Loan Documents and Bond Indebtedness Documents, NRMC shall be required to provide representatives, agents and/or employees of UMB, the Bond Trustee, the Development Bank and the Bond Insurer access to NRMC’s premises and records in accordance with the respective Loan Documents and Bond Indebtedness Documents and shall otherwise cooperate, consult with, and provide to such persons all such non-privileged information and information not subject to a binding confidentiality agreement as they may reasonably request. NRMC shall also provide to UMB, the Bond Trustee, the Development Bank and the Bond Insurer, at the time filed or provided, all statements, schedules or financial reports which NRMC files in the Bankruptcy case, and information about the ongoing process for sale of NRMC. Without limitation, the information, documents and consent approval opportunities to be provided to UMB as described in paragraph 10(e), (f), (g), (h), (i), (j), (k) and (m) above shall also be timely provided to the Bond Trustee,

the Development Bank and the Bond Insurer.

23. NRMC shall be liable for all New Obligations.

24. UMB is extending credit and making the loans to NRMC in good faith.

Accordingly, UMB is entitled to the full protection of Bankruptcy Code §364(e) with respect to the New Obligations and the Liens created, adjudicated or authorized by an Order granting the Motion in the event that any Order granting this Motion or any finding, adjudication, or authorization contained herein is stayed, vacated, reversed or modified on appeal.

25. Nothing in the Loan Documents, the Bond Indebtedness Documents or any Order granting the Motion shall be construed as a consent by UMB or the Bond Trustee, the Development Bank or the Bond Insurer, or an approval by UMB or the Bond Trustee, the Development Bank or the Bond Insurer of the terms of any asset sale, plan or any amendment or modification thereto.

26. NRMC is authorized to perform all acts, and execute and comply with the terms of such other documents, instruments and agreements in addition to the County Bond, as the Bond Trustee may reasonably require, as evidence of and for the protection of the County Bond, or which otherwise may be deemed reasonably necessary by the Bond Trustee to effectuate the terms and conditions of the Order and the County Bond.

**Notice**

27. A final hearing will be held in connection with the Motion as set by the Court. Notice of this Motion has been provided to all secured creditors, the 20 largest unsecured creditors, and all taxing authorities, the United States Attorney and counsel of record.

**Conclusion**

28. NRMCM respectfully requests that this Court, upon consideration of the Motion, grant the Motion and grant NRMCM such other further relief to which it may be entitled.
